“ I grew up with Roger at Buchanan Fork in Wolfe County in the early 60's. Although he was 3 years older than me, he was always a great friend. We played basketball, baseball, squirrel-hunted, rabbit-hunted - whatever was in season. The last time I saw him was at my mother's funeral in 2023 and we went right back to our younger days. I told him that I'd stop and see him sometime when I passed through Clay City, but seldom go back to Kentucky now. Oddly enough, I had decided about a month ago to go to Wolfe County in mid-May and fully intended to come by and see Roger. Unfortunately, I'm too late.

As I've aged, I forget that other people are aging, too. I'll always remember Roger as a great friend, a tough, muscular kid, that I admired and someone who had a rough life in his younger days. Rest in Peace, Roger. I am proud to have known you and when I think of my childhood days on Buchanan Fork, I'll always remember you and as long as I live.....you'll live!
