“ I am so very sorry for your loss. At this difficult time please remember the Bible’s promise at Acts 24:15, “There is going to be a resurrection.” May the God of all comfort, comfort you in all your trials. – 2 Corinthians 1:3,4

“ I never saw Russell without that big smile on his face, never. He was a wonderful family man & also had a wonderful family. I feel very blessed just to have known Russell & privileged to have grown up very close with his children & to have seen his grandchildren grow up from babies into fine young adults. Russell was so proud of all of you & I know you have suffered a tremendous loss. Please know that you will be in my thoughts & prayers today, tomorrow & in the weeks & months ahead. I pray that your fond memories of him will bring peace in your hearts & minds as I know you all have so many of those memories to share & comfort each other with. May you rest in peace dear Russell.

“ Powell County has lost another great man. He was a friend to all who knew him. I always loved going with my mom to pay her insurance every month so I could talk to him. He was always smiling and always so kind. His family is very special to me too and to all of you, I'm sorry. Its so hard when we lose those we love the most. You'll in my prayers now and the days to follow. God bless you all.

“ What a great man Russell was. He had such a very kind heart and cared about people and treated them with respect. I will never forget when he used to give me Cincinnati Reds tickets and I will never forget that.. He loved his Reds!! He helped so many people in Powell County that words can't express. He was a leader, a great family man and will be missed deadly.. My thoughts & prayers are with the family at this very difficult time.
