Tribute Wall

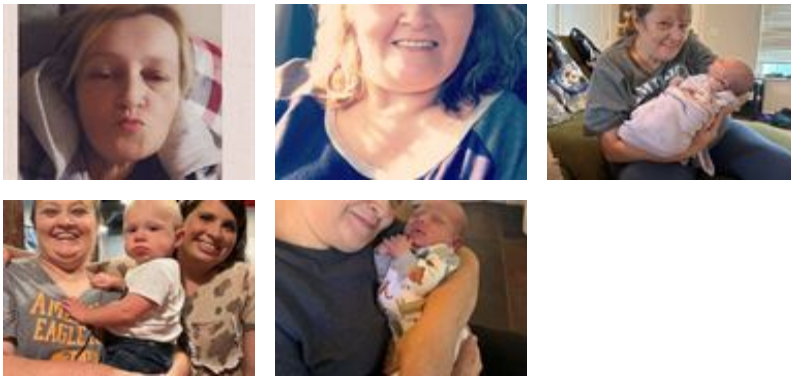

“ I’ll forever be lost without you. You are and will always be a big part of my life, a big part of our family. I love the way you loved, your laugh, our long talks up at night when everyone else was asleep, us taking turns to care for Dad and so so many precious memories. It’s not supposed to be this way...you should still be here but I take comfort in knowing you’re no longer in pain and that I’ll forever have the two most amazing angels watching over me and our family. I’ll see you and Dad again someday but until then, fly high my beautiful sister.
