“ *So so sorry about the passing of your Mom! I know from experience what a loss that is! I admired Margaret for her humor and passion for God. You are in our prayers forever because we never really get over losing our Moms. It gets easier with time and remember she is watching from the balcony of heaven! Love from Fisher and myself.*

“ *My family and I would like to extend our deepest condolences for the loss of your loved one. May the true God mend your family crushed and broken hearts, and may your family be comforted by God's promise of the resurrection. ( John 6:40) Which assures us that we will see our loved ones again.*

“ I'll miss your mama as long as I live. She was always just a phone call away when needed. She treated me as her own since she was 12 years old and nearly spent her whole first paycheck on me as a toddler. She couldn't have been more than maybe 13. I loved her not only as my aunt but as a 2nd mother and a big sister. She fed my family when she had little herself. She cared about everyone but she didn't condone wrongdoing. She'd tell you the truth. I know I'll see her again rejoicing. Love always for my Aunt Margaret. Linda Radtke ❤️

I want everyone to know my Mom was the best. She wasn't perfect, thank God because I can never be the good person she was, but will keep trying. She lived her whole life serving others. When we were little she always told us scary stories & LOL at us. But when we were really scared she'd share God's word with us & tell us how much He loved us. She was always there for us.

*I agree Barbara...your mom was the best!!! When I was little and stayed at your alls house she always treated me like one of her own!!! I remember once us making breakfast for your mom and dad and they ate it (and it wasn't any good...heck the gravy was like concrete) and your uncle was there at the time with his kids and he had to make them boys eat it LOL...I have so many great memories of your mom and family that I'll cherish forever!!!*

*Wanda, thank you. Mom was weaving a great tapestry with all our lives and we didn't even know what beautiful memories we had in between the rough threads or hard times. There were so many times we laughed so hard. That's the thing I'll remember the most (the laughter) That's what made it complete.*
