“ Rhonda, Jason, Janna, Larry, Britt,
I am so sorry for your loss. Shelby was a wonderful person. I know it is hard for you all. I think about her daily and miss her so much. We used to talk for hours and sometimes laughed til tears rolled down our jaws. She was like a sister to me and will always have a special place in my heart. I think about all of you and will keep you in my prayers.

“ Shelby and I have been best friends for many years. She stayed a lot at our home many years ago . My parents loved her as if she was one of their own children. She and I went everywhere together. We had a lot of fun times. She was blessed with two wonderful children, my niece and nephew, Rhonda and Jason. She joined the military and moved out of state. She visited when she could and we spent hours on the phone. We shared recipes and I caught her up-to-date on everyone back at home. I miss those 3 hour phone conversations. She came home on Thanksgiving 2014. That was the last time I got to see her. She fought a long, hard battle. She had been sick for so many years. She was a wonderful person and a joy and blessing to those who knew her. I miss her so much and think about her daily. There is so many things that remind me of her. I have a lot of memories from over the years that I will always cherish. Cynthia Ledford McDaniel, Slade, Kentucky
