So sorry to hear this. She was my best childhood friend. We would meet at the fence when we were grounded.

“ May God be with the family during this sad time. I remember Sherry as a small child, sadly we didn't stay in touch as we should have and I didn't really get as close to her as I wish I could have. She had a great family and a wonderful Mom and Dad...love them very much. May the Lord rain his love and peace to you all. God bless each and every one of you.
