

Sondra Francine Powell

September 27, 1949 - May 14, 2026

Sondra Francine Powell left this life on May 14, 2026 to be with her Lord. Sondra was born in Cincinnati, Ohio, on September 27, 1949 to her beloved parents Hazel Boyd Powell and William Odra Powell, who preceded Sondra in death. She was also preceded in death by her dearly loved brother, Daniel (Dan) Rene Powell. Sondra is survived by one aunt, Mildred Robertson, of Peru, IN; one niece, Allison Clayton of Nashville, Tennessee; and numerous cousins. Sondra was blessed to have a circle of very close friends, both in Cincinnati and Nashville, who loved her very much. They devoted limitless love and attention, time and service to rally around Sondra in her last difficult years. Sondra graduated from David Lipscomb College in Nashville, Tennessee in 1971 and was a secretarial assistant in the president's office for several years. Later she went on to work for BellSouth/AT&T where she retired after 30 years of service.

Sondra returned to Cincinnati to care for her mother and remained there until her own death. She was a faithful member of the Church of Christ. She loved the Lord with all her heart and spent her life in His service. Sondra had many interests and enjoyed many things. She loved her cats, as well as music and needlework, and loved traveling with her friends. She had a great interest in genealogy and ancestry and did extensive research into her family background. Sondra loved her country and counted herself a true patriot. In acknowledgment of that, Sondra will be interred on Memorial Day, Monday, May 25, 2026 at 1:00 p.m. at Stanton Cemetery, where there will be a

graveside service officiated by Daniel Newell from Stanton Church of Christ. In lieu of flowers, Sondra would appreciate donations made to any of her favorite causes:

National Right to Life, The Gary Sinise Foundation (for Veterans), or The American Cancer Society.
