*We just don't have words for your loss. We prayed hard and prayed daily for her recovery. God had different plans for your beautiful daughter. We will continue praying for the family for peace and comfort. Take one day at a time and trust in the Lord and he will be with you every step of the way the coming days, weeks and months. I know she will be forever in your hearts and mind. God bless each and every one of you.*

“ Never dreamed we would part like this. We always said nothing could separate us but death. Why so soon? Why like this? I know you didn't chose to leave, your work here was done, it was time to rest & get your wings. You didn't die you just went away. A piece of me went with you. Nothing will ever be the same. I will continue to tell our stories and the things we got into. Even with the broken heart it still makes me smile. We used to talk about them and laugh so hard. we made sure to go straight and do everything mom and betty told us not to do. The time at the fair me you and Kim. 🤪 This time one of us threw Cheryl's shoe on the roof. 🤪 She was upset if it was me I'm sorry. The prank calls we made. Staying up all night to watch the sunrise. Sharing the mirror before we went absolutely anywhere. We always had to tease our hair a spray half a bottle of hairspray on it. 😊 God how I am going to miss you. I will not tell you goodbye. Just see you again someday.i love you forever. 💔🥹
