“ I always thought a lot of Talmadge and always enjoyed talking to him. I used to call Bonnie and if they weren't home, he would answer the phone and talk for several minutes. He loved his family a lot. Such a wonderful person. I know he is in a better place now and not sick anymore. Bonnie, Ricky, Carol and family, I love all of you. You all are like family to us. My heart breaks for you all. I am glad he got to spend time with each of you girls , in your homes, in the last few years. I know you have lots of memories. If I can do anything for any of you, don't hesitate to let me know. May God comfort you all during this difficult time. God bless you all!
