“ I am so saddened to hear of Tammy's passing. I have great memories of our childhood days when we all went to church together at my Dad's, Airport Chapel. My thoughts and prayers are with the family. Gregory Faulkner -Ferrieri

“ I love you so so much my beautiful sweet, kind and caring mommy. I never could have asked for a better one. I know you're not having to be at those hospitals anymore but my heart still breaks for you. You are the best mommy, we used to lie in bed giving everyone in the house weird nicknames and just giggle even louder when we got in trouble for being too loud. All the times you've sang me to sleep while rubbing my hair. You will always have the biggest place in my heart. I know God needed you more but I sure do miss you.

“ I am sorry for your all's loss. I remember the Thanksgiving dinner that I prepared and was blessed to have Tammy and Derek at my table to eat their fill. May God be with you all during these days and the ones to come.

“ *I'll always remember our long talks when I told you about a new boy and your great advice. I'll always remember how you was always so proud of me when I would tell you what was going on in nursing. I love you forever*
