“ Taulbee, I'm so sad to see you leave us now. It saddens me that I can't be there for your funeral. I'll always remember you always had a smile every time I visited Hoyt. I've known you for 62 years and you were always a joy to see. You, now, have a special place in Heaven with Hoyt. I know she will welcome you with open arms. When you see her please give her a hug for me. For the rest of the family that you have left behind, we will miss you. Now you can rest. You are in God's arms. Your special Debbie
