“ *Teddy was my first boss at Codell Construction Company over 50 years ago. He taught me everything I needed to know about surveying. He also was very patient with me and taught me a whole lot about life and how to enjoy it. I always had the utmost respect for Teddy as we always had fun cutting up together.*

I wish to send my condolences to Teddy's family and friends. I will be out of the state for Teddy's funeral and be unable to attend. I will miss him just as his family and friends will miss Teddy.
