“ I loved Treva. We have been friends for a long time. She and her family were long time neighbors to my family during my childhood. Mom and Treva made candy together and always had so much fun talking together. Treva was a sister in Christ to me and we always had great conversations. Treva and her family seem more like family than friends. All my love to Terry, Ricky, and Ginger. I will pray for comfort for your family as you grieve the loss of your mother, my dear friend.
