“ I'm sorry for not being there when it mattered the most...when you went to heaven a part of me left...you are a big part of my teenage years and up till today when I realized I wouldn't hear from you or get txt...but know the world is a lesser place without you...I prayed for you when I heard the news...and I'm sorry you couldn't call or txt me for help...I'll miss you Trina Leann...you'll always be the prettiest girl I seen in school...and I have a hole in my heart knowing you're gone...take care and keep on that smile...

“ I just can't wrap my head around this Trina...I am so used to texting you at night and talking to you about so many things. I remember when you were so little and at mamaws at Christmas and your little stocking was hanging up...you were so tiny and just like a little doll to me cause I was so much older than you. I loved you then and I love you now. I am so glad that I told you that and that you knew it. Please hug aunt Louise and Uncle Wally and granny and papaw....I love you sweetheart.....

Oh Trina, it doesn't seem real. When we were little, you were more like my little sister than my niece. The last few years we went down different paths, but when we did get together, we had some good stories to tell, and lots to laugh about. I will miss that, but I am so glad I have those memories of happier times. I know your Mom, Dad, babies and grand babies have a special guardian angel flying over them. ❤️
