“ *Valorie was a very special friend of mine....We didn't see each other too often but when we did, we could talk for hours on end. I'll miss her so badly & all my hugs, love, heart & prayers go out to her precious family. I can't (& don't want to) feel the pain you must be going through at this time. The loss of "precious Valorie" has left a huge hole in my heart & I'm positive it has to her wonderful family. All of you are very special to me & will be in my thoughts and prayers for many months to come. I love all of you & may God give you some sort of peace during this most difficult time. RIP my dear Valorie. You were loved by so many.*
