“ Gus was such a great part of Stanton Elementary and our community, so many children and people have good memories of him, my kids included, he would cut up with everyone and always speak to me when I would see him. The number of people's lives a man touches in a good way, through a kind word, kind gesture or jokingly making people or children laugh shows the character and goodness of a man. Gus you will be missed but you left your mark forever on so many people, you are a blessing that will be remembered by so many young and old.

“ I am deeply saddened to hear news of his passing. When I worked at Cottons Restaurant I had the good fortune of getting to know Gus and Elouise, 2 of my favorite customers back then and I always considered them friends. Gus will certainly be missed by many and my deepest condolences to Elouise, Sandy, Destini and family ❤️❤️
