“ *Can't believe your gone man. I think one of my best memories was when we were kids and y'all would come down from Ohio to visit and me you and Tim Jr. Would sneak out to the woods and smoke cigarettes. I always thought ALOT of you bro. I still consider you a brother to this day. You're already missed my friend. Perhaps you're up there with my momma now looking down on us all. I love you man.*

“ Daddy I don't even know where to begin. I just want you back. I know you're in a better place now. Just look down on me and smile. We will meet again one day. All the times we was together all the times we wasn't. You'll always be in my heart. Daddy just know I love you and always will and you was the best papaw to Brayden I could ever ask for. Brayden will never forget. I love you daddy.
