“ Couldn't ask for a better man. He helped me many times. Always running around cane creek looking for Tommy to tell him that his cows were out. He always appreciated it. Sad to see him go.

“ Tom King was sincerely one of the greatest men I've ever known. If more people had his view on life and compassionate heart, this world would be a better place. Thank you Tom for all the help and being such a wonderful neighbor all these years. You will be missed but never forgotten.
