“ For eight years you were my mother-in-law. You were the only mom I had to stand by me, as I lost my two babies by your son. You were there thru every minute of mine and Richard's grief. And I will always thank you for that. You were amazing to us. I'm so sorry you had to go, but now you will be up there taking care of my babies, until I can get up there with all three of you. Truly loved, and always sadly missed. I love you Wanda. Now you are all of our's angel. So sorry to the family, may you find peace and comfort in your time of need. Prayers.
