“ Hi.. My name is Keeley Overbee, a family member of Wanda. I'm 12 years old... I miss her very much and wish she could come back right now, but I know that she's in heaven, right now, dancing with all the angels with no more pain. Gg- i miss u more than ever right now. YOU were my second mom, and all I have is guilt in me. I had a dance to go to, and instead of staying with her, right by her bed, I went to the dance. I am so sorry Gg, and I wish I could take that day back, and if I had one wish it would be that you could've stayed longer. Ilysm Gg, and there's never a day that I don't think about you. I love you and I miss you!! -Keeley

I was fortunate enough to work with Wanda at Hospice. She had a wonderful gift for listening, a huge heart for caring and fantastic shoulders for leaning on. There were many times when I was frustrated or overwhelmed and would take a break to go and sit in her little office for a few minutes. We would shut the door and "talk trash", vent feelings, make jokes. I would always leave feeling better, knowing she was a truly honest support system within those walls. I have always and will always think of her with a smile. We were all blessed by our time with her.

Wanda was a wonderful lady. She could find out how you were in a split second. She did have the best laugh, straight from the belly. I will never forget some of her tales of riding in the back of an ambulance for the "fun" of it! She was crazy with some of her stories. Many prayers. We are sad without her.

“ Wanda Lee was one of a kind, she made me laugh more than anyone I can remember! I so enjoyed working with her and remember our Zumba classes with so much love and affection. She made me laugh so hard I could barely exercise. She will be missed. Thinking of her family today and in the days to come.

prayers for all the family. Wanda was one of a kind so funny and so special. She was a straight to the point but so comical. When she left Hospice she was missed so. She will always be remembered as a special lady.
