“ *Daddy*

*You were ready from the start
Facing obstacles with a big heart
You still helped others no matter what
I often wished we were never miles apart*

*I knew this day would come
But why today I wonder
You fought a hard long battle
Yet you never surrendered*

*So as I say my last goodbye
Tears may fall as I cry
I cannot be selfish, I let out a sigh
I cannot save you even if I try*

*I held you close and kept on praying
With one last hug, I felt you leaving
I am glad you are no longer suffering
Memories now will be comforting*

Thank you Daddy for waiting...
