“ *I remember back in the 80's Winnie talking about retiring. I told her then she couldn't retire till I got married because I wanted her to do my flowers. Well, two weddings later I can proudly say Miss Winnie did both of my weddings! She always made beautiful arrangements for everything I needed. I will miss her very much. Thanks for sharing your talents with so many people for so many years.* ”

“ Winnie you will always hold a special place in my heart. We always thought of you as family. You were there for our family during our weddings, and the passing of mom and dad. You were a special lady and I don't know if you ever knew how much you were loved. Mom loved having you as one of her best friends. You will be missed so much and it will never be the same going by the shop. You were one of the greats. Love and prayers to Stephen and Greg.

“ Winnie, I miss you.... we have been friends for years....you taught me a lot.... I'm not sure that the community knows the magnitude of their loss....the florist on the corner was the go to for everything..... I'm sure that you weren't paid nearly enough for some of your services to our county..... but I can say this ..., you were the best Bow maker that I have ever known.....it was a privilege to call you my friend.... I am honored to have known you..... Rest high prayers for Stephen and Greg.....❤️

“ Winnie Marcum was one of a kind. Our family thought the world of her. Not sure what to do. Because she told me one day she didn't want any damn flowers at her funeral. Loved how she spoke her mind. I'll think of something tho. Prayers for her sons.

Winnie did the most beautiful flowers in town and was always a joy to stop by the shop and chat! During the years we lived out of state, I had only to call to have flowers delivered and she'd sent me a bill. Always got feedback on how gorgeous the arrangement was. Winnie will be greatly missed! Prayers for her sons and extended family.

“ I will miss Winnie. She was a dear friend. I truly enjoyed talking to her at the florist. Any time that I needed to order flowers, I picked up the phone and called her. I told her what I wanted and she made it. When I was in town, I stopped and paid her. Most times, I was there about an hour, just talking. I loved the conversations we had. She spoke how she felt and told it like it was. She made the prettiest arrangements and had the best prices in town. She will never be replaced. I never worried what the flowers, angels or birdhouses looked like. She always made them beautiful. She had that special touch. I am going to miss stopping there. I know she will be missed by her family, as well as the many, many friends she had. She was a very special lady and a dear friend to many people.
