“ *Doug and I always enjoyed his visits. He was a very honest and caring person. When he left our house the last thing he did was shake our hand and tell us to call him if we need anything. We will miss you Woodie. May God be with your family.*

“ *Woody was such a good feller, He knew the Bible scriptures too and he loved the Lord he showed that every single day. He helped everyone he could and was so nice to all the patrons that came in the library. He was very talented in drawing and he was also very smart in so many subjects,, He love search a word puzzles and asked me to make him some on the computer, The little kids loved him when they came in and so did our older patrons, he always laughed and cut up with everyone. His passing has broken my heart because he was a good friend. My deepest sympathies go to his family, he talked about them everyday and loved them more than anything. Rest easy my friend.*

“ *Uncle Woody was such a great uncle growing up. He was always funny and caring. I spent a lot of summers with my grandparents, and I always remember when Uncle woody and Aunt Vikki would come in from Wisconsin we would sit on the porch and have a Ale8. I loved spending time with them as a kid, although he was so very tall and I had to look way up because I was so little, I wish I had of spent more time with them as an adult, but you will always be in my memories. To Aunt Vikki Denise and Dennis, I am so sorry for the loss of a great man love you all-Mandie.*
